	CRA approved Home Modifications and Mental Health training as charitable objects for the HGMF in December 2018.	
	The home modifications were a result of the fundraiser for Kevin Manson in 2016, at which time the HGMF did not have the approval to raise funds for this category. Now the HGMF can fundraise and issue tax receipts. The Constitution and the website have been updated to reflect the two additions.	
8.	Status of additional charitable objects: See attached slide.	President
	We have asked CRA for permission to have the HGMF fund alternate therapies such as Equine, Virtual Reality and Service Dogs (most likely the HGMF would not be able to fund the full \$20,000 it costs for each dog but will be able to provide a portion of the funds). Once approved the advantage will be that HGMF will be able to flow the money through HGMF and issue tax receipts.	
	The other object is to be able to cover medical expenses not covered by either VAC or Provincial Health Care. CRA has advised that we cannot do a fundraiser for an individual, it must be for the organization, i.e.; medical expenses.	
	Paul spoke about combining Regimental Heritage into one Object. Would like to be able to have the HGMF donate funds towards hiring a publisher or author to write the Regimental History, what is on the books right now is doing volumes 5, 6 and 7.	
	If approved the HGMF will be able to fundraise. The long-term goal is to go back to the Regt and say that if we have contributed x amount of money and request that a \$10 donation to the HGMF from the sale of each Regt History book. This would provide the HGMF will a long-term fundraiser.	
	Once CRA responds to the HGMF's request and everything is good to go we can amend the HGMF Constitution accordingly and put it to the Council of Presidents for approval. The HGMF will be looking ahead about 10 to 20 years in regard to our objectives, it will give us the flexibility for future requests.

HGMF Fundraising. See attached slide.	President
Annually \$5,000 is donated from the Casino Fund to the HGMF for the Student Bursaries. In 2017 there was a grant from the Federal Government of \$17,500 which was a reimbursement for a previous bill for Lansdown Park which was paid out of HGMF. In 2018 True Patriot Love paid for the Kingston Workshop but because we did not have CRA authority in 2018 to put the money into the HGMF those funds went into the General Operating Fund. In 2019 True Patriot Love paid for the Winnipeg Workshop.	
As of the end of May 2019 we have raised 41.9% of the 2019 fundraising goal but after tomorrow's AGM we are going to be receiving \$5,000 from General Dynamics, \$2,500 donation from Cubic, TPL is asking us if we can use the unexpended \$950 from last years \$14,000, the Atlantic Branch has a donation of \$1,600, SW Ontario has a donation between \$2,000 - \$3,000 and the Calgary Kit Shop will have another donation. Most of that money is earmarked for Mental Health. We need corporate donations in order to fund Mental Health Training.	
There was a lot of discussion regarding how to increase fundraising and come up with a better model. It takes a lot of effort for a small reward. Raising the awareness, getting the Assn lined up so we are working together and tapping into Corporations should help the effort.	
On the return of investments, the plan is to keep 50% of the annual return inside the HGMF and on the other hand 50% is the maximum that will be spent on charitable activities. For info, we must spend $3.5\%$ of our average annual capital, which is about $26k - 27k$ a year.	
The Charitable Objects are Student Bursaries (very successful, this year \$21,000), Cadets, about \$5,000 comes out of Casino Funds for hings in Alberta, hat badges, donations of \$5,000 that are given to the Cadet Corps generally comes out of the HGMF, Regimental Memorials (such as Patricia Park) can be paid from Casino Funds because it is in Alberta. A bill was received from the Commonwealth War Graves Commission (CWGC) for Frezenberg for about \$600. Lansdowne, no bills yet and Jay Lapeyre is in the process of updating those contracts. Another big object is Veterans and family support.	Note. It has been subsequently learned that we ha a credit balance with CWGC. In 2020 they will bil the HGMF on an annual basis in advance.
The HGMF is responsible for the maintenance of significant Regimental Memorials. Memorials put in place by individuals/families should be the responsibility of the individuals/family.	

There is consideration to move the Hamilton Gault Statue in Ottawa to Lansdowne Park from the War Memorial, it needs some repairs, and would have better visibility at Lansdowne.	HG Statue will not be moved to Lansdowne Park.
The MOU between the Assn and the National Capital Region is out of date and Jay Lapeyre is working on updating it as it does not say anything about the long term but more about the installation.	
St Bartholomew's Church in Ottawa is requesting 10% of the estimated \$200,000 repair cost to a stained-glass window that was installed by H.R.H. The Duke of Connaught in memory of the members of his staff who died during the First World War, including Lt Col F.D. Farquhar, DSO, Capt Herbert Buller, DSO, and Capt Newton, all from the PPCLI. The window was unveiled on Sunday 9 November 1919. Ottawa Branch will coordinate donations of \$20,000 to the HGMF to be used specifically for this purpose.	
Paul has suggested that first chapter of the Memorial Book include a clear definition about which Memorials the HGMF is responsible for. Specifically, Frezenberg, Lansdowne Park and Patricia Park. 1 CMBG is responsible for Hamilton Gault Park at CFB Edmonton. It also must clearly define when families create their own memorials that the family is responsible for maintenance. Keep in mind that there will always be exceptions.	
Dougal Salmon explained that Patricia's are sent to the Vernon Cadet Camp to train Cadets. Years ago, several Patricia Officers and NCOs decided to build a park in the middle of the camp with a Patricia Plaque, benches and flag. It has fallen in disrepair and the Patricia's' that are there want to fix it, so they came to the HGMF to ask for money to pay for the repairs, but we do not have the funds. There are hundreds of memorials across the country and who is responsible?	
It was commented that the Hamilton Gault Statue at CFB Wainwright is overrun with weeds. It would appear that the responsibility for this should be the Base and local Patricias.	Paul to follow up.
Tax receipts cannot be given for in kind donations, but for material such as wood etc., yes, we can give a tax receipt, but it must be to one individual. If someone wants a tax receipt for a donation, they must donate the money to the HGMF and send the bill and HGMF would pay the provider (i.e., Home Depot).	
An idea of each Branch contributing a certain amount to Mental Health came up. Some Branches are struggling financially and cannot afford to donate money to the HGMF.	
Dave Pentney said that there are several grants out there for funding of Memorial restorations and we should be looking into them. Some

	We are currently projecting a net deficit of \$20,760 in the HGMF 2020 Budget. Options are to increase donations or reduce support to Cadets and student bursaries. Cadets are the future are the Regiment and the CAF and therefore we need to continue to support them. Student Bursaries have been very helpful for the children, grandchildren, and spouses of Patricia's. At this time, we do not recommend reductions in these areas		
	We are not looking at cashing in investments, especially since we have \$51,000 in the back account. The first program to be cut if we do not raise the funds will be Mental Health.

Notes:

2. Donations will be applied to enhance in-year programs.

3. Amount indicated is requests to various agencies for grants in support of Mental Health and Suicide Awareness workshops. If funds are not received workshops should be reduced accordingly. Costs for two workshops is \$15,000 and \$5,000 for Applied Suicide Intervention Skills Training (ASIST).

4. Unrealized gain from HGMF investments for 2018 was **-\$25,141**. There is no investment income available. HGMF BoT to decide whether there is a requirement to cash out some investments to meet overall program expenses.

5. Donations of \$5,000 to HGMF for Bursaries from Casino Account will bring the total available for bursaries to \$21,000.

## Comments:

HGMF. The lack of investment income in 2018 has resulted in significantly reduced income for the HGMF. This is compounded by a reduced estimate of donations to the HGMF based on 2018 results. The HGMF have the option of cashing out some investments to meet the shortfall; however, it is recommended that this decision should be deferred until early 2020 and be based on the cash balance in the HGMF at the end of 2019. The alternative is to reduce the amount allocated to Student Bursaries and/or Veterans Suicide Awareness

## Hamilton Gault Memorial Fund (HGMF) as of 31 Dec 2018

A summary of the HGMF portfolio performance for 2018 to date is as follows:

2018 Opening Balance	\$766,679
First Quarter	\$761,702
Second Quarter	\$778,368
Third Quarter	\$786,016
Fourth Quarter	\$741,538

The value of the portfolio **decreased** \$25,141 or 3.28%.

Our Financial Advisor, Marv Fenrich, and the fund managers who support him, have done a fine job in mitigating the loss in a shrinking market, particularly in the fourth quarter.

The disbursement quota is the minimum amount a registered charity is required to spend each year on its own charitable activities or on gifts to qualified donees. The disbursement quota calculation is based on the value of a charity's property not used for charitable activities or administration. The disbursement quota for HGMF is 3.5 % of the average value of the fund. In 2018 this was \$27,621. The HGMF exceeded the disbursement quota for 2018. The disbursement quota for 2019 is \$26,478.

1. Below are the results of HGMF fundraising since 2016.

2. The 2016 donations include \$10,350 raised by Mike Wind as a private fund raising imitative in support of the HGMF.

3. The \$17,500 grant in 2017 was payment of an outstanding Federal Government grant for Lansdowne Park.

4. In 2018 a total of \$12,322.71 was donated to the Hamilton Gault Memorial Fund (HGMF). This equates to 47.4% of our target of raising \$26,000 from private donations. In addition, \$5,000 was transferred from the Casino Account to the HGMF in support of student bursaries. Due to the poor results of our fundraising campaign, the HGMF had a net deficit of \$16,986.60 for 2018.

5. For 2019, we have set a fundraising goal of \$22,000 from private donations. As of 31 May 2019, a total of \$9,220.24 or 42% has been privately donated to the HGMF. In addition, \$5,000 has been transferred from the Casino Fund to the HGMF in support of Student Bursaries and \$8,086.91 was received as a grant from True Patriot Love in support of the Winnipeg Mental Health and Suicide Awareness workshop.

6. Unless there is an increase in private donations there is a strong possibility that we will not be able to fund all of the Student Bursaries and the Mental Health training in 2019. The increase in expenditures is primarily due to the success and interest in the Mental Health and Suicide Awareness Workshops. Requests have been submitted to General Dynamics, Cubic, Calian and the Patricia Fund for grants in support of Mental Health training. At this time, we have indication of a \$2,500 donation from Cubic and \$5,000 from General Dynamics. A request has been submitted to True Patriot Love for funding of Mental Health training in 2020.

### 1. Purpose of The Hamilton Gault Memorial Fund

The Hamilton Gault Memorial Fund (the"Fund") was established in 1964 as an unincorporated registered charitable organization as defined in paragraph 149.1(1)(b) of the Income Tax Act, and is exempt from income tax.

The purpose of the Fund is to carry out the charitable operations of the Princess Patricia's Canadian Light Infantry Association.

#### 2. Summary of significant accounting policies

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for notfor-profit organizations (ASNPO).

#### Revenue recognition

The Hamilton Gault Memorial Fund follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Investment income is recognized as revenue when earned.

#### Cash and cash equivalents

Cash and cash equivalents are comprised of cash in bank and short term, highly liquid investments with original maturities of three months or less, and that are subject to an insignificant risk of change in value.

### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets measured at fair value are marketable securities. The financial asset measured at cost is cash. The financial liabilities measured at cost include accounts payable and accrued liabilities and deferred contributions.

#### Contributed services

The operations of the Fund depend on the contribution of time by volunteers. The fair value of donated services cannot be reasonably determined and are therefore not reflected in these financial statements.

#### 2. Summary of significant accounting policies (continued)

### Measurement uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### 3. Marketable securities

Marketable securities consist of investments in mutual funds managed by the financial institutions identified above, and are carried at fair value. Unrealized gains and losses are reported in the statement of revenue and expenses as part of gain on marketable securities, which reports both realized and unrealized gains and losses.

#### 4. **Financial instruments**

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of December 31, 2018.

#### (a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The organization is mainly exposed to other price risk.

### (b) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The organization is exposed to other price risk through its investment in mutual funds and quoted shares.

#### 5. Deferred contributions

Deferred contributions are donations received for specific purposes, such as aid for members' and veterans' families, and will be recognized as revenue when the related expenses are incurred.

#### 6. Comparative figures

Some of the comparative figures have been reclassified to conform to the current year's presentation.
